

2014 Syrah

Santa Barbara County

Tasting Notes

The 2014 Santa Barbara County Syrah combines fruit from the five Syrah vineyards we work with. After blending trials, Petite Sirah, Mourvèdre and Grenache were added for structure, aromatics and complexity. More than a sum of its parts, it is dark and rich. Exhibiting cherry, wild berry and violet aromatics, this wine is full and fruitful in the mouth, with underlying espresso and pepper flavors. Sharing the same farming and winemaking techniques as our vineyard designated wines, this Syrah can be enjoyed upon release or cellared for several years.
